DIOCESE of
WINCHESTER

Dear Parents/Carers,

I am delighted to be able to inform you that after careful consideration, we are able to begin an expansion of our extracurricular opportunities through our clubs, tournaments festivals and fixtures.

All events have been carefully planned to ensure covid compliance and will be offered to year group or expanded year group bubbles.

Club start dates, locations and adults in charge are outlined below. Please read very carefully to ensure you are signing up for the right events and you know exactly when and where the activities are taking place.

To sign up please email the school office directly on info@st-marks-southampton.org.uk as club lists will be administered via the office staff. Please include your child's name, class, emergency contact number and any medical conditions they have in the email.

All successful applications will receive an email confirming a place. If you do not hear from us, your child will be placed on a waiting list and if a place becomes available, you will be made aware at the nearest opportunity.

Clubs are limited in numbers and places will be issued by both direct invitation to specific targeted children or on a first come first served basis.

With the current situation, we may not be able to offer clubs to all year groups at present, but please rest assured we have a wide range of other opportunities across both this term and the whole school year for children in all year groups.

Due to limited indoor and space and covid regulations, sports clubs may have to be cancelled in the event of inclement weather. This is only as a last resort.

As with curriculum PE, children must be wearing the correct kit. Coats, school jumpers and school shoes are NOT acceptable PE kit. (They are able to wear football kits for the football club).

Yours sincerely

Mr Munnings
