Executive Headteacher: Mrs Stephanie Bryant

Head of School Primary: Mrs Victoria Sutton

Wednesday 8<sup>th</sup> February 2023.

Dear Parents and Carers,

## Art and DT Club

In order to help enrich the experiences of our children, we are going to run an after-school Art and DT club. This club is open to any child who is interested in or passionate about Art and DT. The club will be led by school staff and will focus on developing your child's art and design skills. Within these sessions, they will be able to engage in a variety of activities linked to the different strands of our Art and DT curriculum such as painting, constructing and sketching.

The club will run every **Thursday after school, ending at 4:00pm**. The club will begin on Thursday 2<sup>nd</sup> March for 4 weeks, meaning the last session will be Thursday 23<sup>rd</sup> March. Attendance at all sessions will be strongly encouraged. We plan to alternate the sessions each week to incorporate both DT and Art activities. The club will be limited to 25 spaces and those who are successful in gaining a place will be notified.

Staff will bring the children to the front of the school to be collected at 4:00pm from the reception.

Please sign up via SCOPAY to secure your child's place.

Regards,

Mrs Stevens and Mrs Blinco

Art and DT Leaders
