Dear Parents/ Carers,

We are delighted to inform you that this year's Christmas production at St Mark's is Elf! The children have been working so hard already and are very excited about the performance.

Doors will open at 6pm on **Wednesday 7th December** and the show will start at **6.30pm**. We would love to see as many of our community there as possible.

Tickets will go on sale from **Monday 7th November**. Please send your child into school with an envelope containing the correct money, **how many tickets** you would like and your **child's name on the front**. After processing these, we will send your child home with the tickets. We have a limited availability of tickets so please book early to avoid disappointment.

We look forward to seeing you in December!

Yours faithfully,
