Dear Parents/Carers

I am delighted to be able to inform you that we are ready to begin our extra curricular sports clubs from the coming term.

Club start dates, locations and adults in charge are outlined below. Please read very carefully to ensure you are signing up for the right activities and you know exactly when and where the activities are taking place.

Clubs are limited in numbers and places will be issued by both direct invitation to specific targeted children or on a first come first served basis. SCOPAY will show confirmation of your booking.

Unless specified, all clubs will run until the first week of December so the last club date will be Friday 9th December. In the event of inclement weather or cancellation, you will be notified as soon as possible to make collection arrangements.

When collecting children, please do so from the front reception of the school, not the Stafford Road or Malmesbury Place student entrances as these are not manned after the end of the school day.

Due to the limited number of places on offer children who miss two weeks of clubs without good reason will default their place and it will be reallocated to another child.
