16/01/23

Dear Parents/Carers,

As you will know, in May 2023, the year 6 children will be taking their SATs tests. To help the children prepare for these tests, CGP have published a range of revision guides.

As a school, we are able to get large discounts on these books and are therefore giving you the opportunity to order the revision guides through the school. Attached is a list of the revision guides that are available.

For maths and English, there are two options, either standard level or advanced level. We recommend that the majority of children use the standard level questions. If you are unsure which to purchase, the class teacher will happily advise you on their recommendation for your child.

If you would like to purchase any of these revision guides, then you will need to order and pay online using your SCOPay account. Just log in to your account, click on products, click on the revision guides that you wish to purchase, add the books to your basket and then check out to pay.

We will be sending orders for the books on **Friday 3rd February 2023**.

Please note that we will not be able to accept any orders of books after this date as we would not get the bulk discount or free postage and packaging.

Yours Sincerely,

Year 6 Team

Practise and Learn: Times Tables	£6.50	£2.50

The books in bold are the study guides and question books that we recommend. These contain revision notes on the main subjects that the children will be tested on in their SATs and SATs style questions for them to practise. If you wish to purchase these 4 books, choose the bundle option as you will receive a further discount.

We have also included extra books for reading, times tables practise and an advanced level maths and English study and workbook (named *stretch* book) if any parents are interested in purchasing further test questions for their children to practise.

If you are unsure of which books to purchase, please speak to the class teacher who will happily assist you with your choice.
