Head of School Primary: Mrs Lorraine Hoad

Head of School Secondary: Mr Ben Godber

5th May 2026

Dear Parents / Carers,

At St Mark's, our uniform is an important part of our school identity. It reflects our shared values and helps create a positive, respectful, and focused learning environment. Consistent dress also supports our inclusive ethos—*One School, Serving All, Through Excellence*—ensuring that every student feels a strong sense of belonging.

As we move into the summer months and temperatures rise, I would like to clarify our expectations regarding uniform. Should any adjustments to the uniform policy be necessary due to hot weather, we will inform you the evening before, outlining any specific changes.

Please note that coats should not be worn during the school day in place of a blazer. All students are expected to wear their blazers while in school, except at breaktimes when it is not required; jumpers are optional and may not be worn without a blazer.

We kindly ask all families to review the full uniform policy, which is available on our website.

I would also like to remind you of our rules regarding piercings and jewellery. Students are permitted to wear only a single ear stud. No exceptions will be made. Any additional items will be removed and, if necessary, confiscated.

If you have any questions or require support regarding uniform, please do not hesitate to contact me.

Yours sincerely,

Mr Z Kinnaird
Assistant Headteacher
