Dear Parents / Carers,

### **Year 5 After School Times tables Booster Club**

Your child has been identified by Mrs Heath-Goddard and Miss Shormi as someone who would benefit from additional support with recalling their times tables. These small-group booster sessions are designed to help children improve their fluency, accuracy and confidence when using multiplication and division facts.

Developing secure times table knowledge is an important part of the Year 5 Maths curriculum and will support your child in accessing other areas of maths more confidently. The sessions will also help to prepare them for the transition into Year 6. Whilst your child is already working hard in school, we believe this will be a valuable opportunity to further strengthen their mathematical skills and confidence.

The booster sessions will take place after school from 3:00pm–3:50pm on the following dates:

- Tuesday 19th May
- Tuesday 2nd June
- Tuesday 9th June
- Tuesday 16th June
- Tuesday 23rd June
- Tuesday 30th June
- Tuesday 7th July
- Tuesday 14th July

Children will then need to be collected from the school office following the session.

***Please complete the consent form on SCOpay to give permission for your child to attend the club.***

We thank you for your support and hope to see regular attendance from your child.

If you have any questions, please do not hesitate to speak to us.

Kind regards,

Mrs Heath-Goddard and Miss Shormi
