## **Year 2 trip to Lepe Beach Wednesday 14 June 2023**

Dear Parents and Carers

We are very excited to announce that Year 2 will be going on a school trip to Lepe Beach on Wednesday 14 June 2023.

The children will be visiting Lepe Beach to carry out fieldwork as a part of their local area study focusing on understanding Human and Physical features in our environment. This is a valuable experience within our curriculum, as students will set up their own enquiry; explore ways of collecting information to answer their own questions and gain experiences and understandings, which cannot be gained in the classroom. This will also support the children as a writing stimulus for our recount text in English as well as our micro-habitats study in Science.

Children will NOT need to wear full school uniform but they will need to wear their school jumpers. Please ensure that your child is wearing suitable footwear and clothing for being outdoors for the day. Children do not need to bring any money on the day and please do not send them in with cameras or electronics.

The cost of this trip is £6.00 per child. This is a voluntary contribution. However, if we do not receive enough contributions, the trip will be cancelled. Please log in to your Scopay account to give permission for your child to go on the trip and to pay the voluntary contribution.

Children will need to take a packed lunch with them (no fizzy drinks, chocolate or sweets please). If you would like school to provide a free packed lunch for your child (cheese roll, cake or biscuit, fruit and a bottle of water) then please order one on Scopay by Wednesday 7<sup>th</sup> June. We will only make lunches for the children who have ordered one.

If you have any queries regarding the visit please do not hesitate to contact us.

Yours sincerely

The Year 2 team
