Dear Parents and Carers,

This half term, our science topic is 'Space'. As part of the children's learning, we are planning a trip to Winchester Science Centre where they will be able to explore many hands-on activities linked to science, take part in exciting workshops linked to the solar system and visit the planetarium.

The trip will take place on Monday 3rd October. The children will be leaving school at 9:00am and returning to school in time for collection at the normal time of 3:00pm. The children will be travelling to and from the centre by coach.

Children will need to wear full school uniform. Your child will need to bring a packed lunch for the trip. (No fizzy drinks, sweets or chocolate please). If your child is entitled to a free school meal, then we can provide them with a packed lunch. They do not need to bring any money and please don't send them in with cameras or electronics on the day.

There is no charge for this trip as it is being fully funded by N7 Education.

Please complete the reply slip below and return to the school office by Monday 26th September. If you have any queries regarding the visit, please do not hesitate to contact us.

Yours sincerely,

The Year 5 team

Year 5 trip to Winchester Science Centre, Monday 3rd October 2022

I give permission for my child Class..... to go on the trip
