Dear Parents,

Re: Parent Event

As part of our topic for this half term, we have been studying crime and punishment. Within dance, children have used this as inspiration to create a unique performance which they are keen to share with you.

Therefore, on Tuesday 13th December we would like to invite parents and carers to come in to school to watch this performance. You will also have the opportunity to see the learning the children have been doing this half term. Please arrive at the school office by 2:15pm.

We look forward to seeing you if you can make it!

Kind regards

Mrs Heath-Goddard and Mr Harding
