13th January 2026

Dear Parents and Carers,

Clean Air Project

I am writing to inform you that on Monday 26th January, Eco Warriors will partake in preparations for the Clean Air Project, an important initiative that supports our school's commitment to environmental responsibility and pupil leadership. Children will be involved in recording the different ways they travel to school, allowing us as a community to explore ways to improve local air quality.

Eco Warriors are kindly asked to arrive at school at 8:15am, rather than the usual 8:30am start. Please report to the main reception at this time.

We appreciate your support in ensuring your child arrives promptly at 8:15am on this day. Normal school routines will resume after this time.

Thank you for your continued support.

Kind regards,

Miss Eades-Scott
